

END-OF-LIFE ANNOUNCEMENT FOR SIGNIANT RELEASE 6.x

Product Bulletin Number: EOL61108

Signiant announces the end-of-life dates for the Signiant software Release 6.x. Customers with active support contracts will continue to receive support from Signiant as shown in Table 1. Table 1 describes the end-of-life milestones, definitions and dates for the Signiant software release 6.x

Table 1. End-of-Life Milestones and Dates for the Signiant software Release 6.x

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end of life of a product is distributed to the general public.	November 20, 2008
End of Software Maintenance Releases Date	The last date that Signiant Engineering may release any final software maintenance releases or bug fixes. After this date, Signiant Engineering will no longer develop, repair, maintain, or test the product software.	December 24, 2008
Last Date of Support	The last date to receive service and support for the product. After this date, all support services for the product are unavailable, and the product becomes obsolete.	May 24, 2009

PRODUCT MIGRATION OPTIONS

Customers currently on Release 6 are recommended to upgrade to version 7 or later. Numerous enhancements and bug fixes are contained within newer releases. For more information on the content of the latest released version, contact Signiant customer support.

When upgrading to a more recent release, certain software images may no longer be available, hardware platforms may no longer be supported, or there may be changes to memory requirements. For further information, please contact Signiant customer support.
